~~DK | For the curious~~
DK is a top publisher of Encyclopedias books. Shop from a range of bestselling titles to improve your knowledge at DK.com.

~~Encyclopedias | DK UK~~
The DK Visual Encyclopedia of Science is a nice compact book. It's just not worth the \$30-\$40 these people are charging. It was originally priced at \$12.99, but some of the sellers have bought it for less than the original price. The book gives glimpses of information on lots of topics.

~~Dk Visual Encyclopedia Of Science: Dorling Kindersley ...~~
There are plenty of science encyclopedias written for older students, but this one is written and illustrated in an age-appropriate way for younger ones. Information in the areas of life science, chemistry, physical science, and

earth/spacescience are presented in a broad fashion, and a glossary at the back of the book will help you look up the meanings of new words.

~~First Science Encyclopedia | Dorling Kindersley ...~~
New York: Dorling Kindersley, Inc., 2008. In addition to information on objects in and beyond the Solar System, this book recounts the history of astronomy and telescopes. Its 72 pages include numerous illustrations and photographs in a format that will appeal to fans of the Eyewitness Science series.
