## CPSWXS - HAYNES KEELY

Now you can get all the accuracy, authority, and student success of the best-selling intermediate accounting text in a brief, streamlined new version! The authors have made tough decisions about what material remains at the core of the intermediate accounting course, and what details (for example, methods of depreciation) are less important for today's student. The result of their work is the briefest two/three-semester intermediate text on the market. This new streamlined size will also allow you to introduce case material or special readings as you choose.

INTERMEDIATE ACCOUNTING by Kieso, Weygandt, and Warfield is, quite simply, the standard by which all other intermediate accounting texts are measured. Through thirty years and twelve best-selling editions, the text has built a reputation for accuracy, comprehensiveness, and student success. The Thirteenth Edition maintains the qualities for which the text is globally recognized, and continues to be your students' gateway to the profession! Volume I is comprised of Chapters 1-14. Each study guide chapter is comprised of a detailed chapter review, demonstration problems, true/false, multiple-choice, matching questions, and comprehensive exercises. Solutions to study guide questions are provided.
