The prize-winning, New York Times best-selling short story collection from the internationally bestselling author of *Lincoln in the Bardo* 'The best book you'll read this year' New York Times 'Dazzlingly surreal stories about a failing America' Sunday Times WINNER OF THE 2014 FOLIO PRIZE AND SHORTLISTED FOR THE NATIONAL BOOK AWARD 2013 George Saunders's most wryly hilarious and disturbing collection yet, *Tenth of December* illuminates human experience and explores figures lost in a labyrinth of troubling preoccupations. A family member recollects a backyard pole dressed for all occasions; Jeff faces horrifying ultimatums and the prospect of *Darkenfloxx*(TM) in some unusual drug trials; and Al Roosten hides his own internal monologue behind a winning smile that he hopes will make him popular. With dark visions of the future riffing against ghosts of the past and the ever-settling present, this collection sings with astonishing charm and intensity.

From Kevin Brockmeier, one of this generation's most inventive young writers, comes a striking new novel about death, life, and the mysterious place in between. *The City* is inhabited by those who have departed Earth but are still remembered by the living. They will reside in this afterlife until they are completely forgotten. But the City is shrinking, and the residents clearing out. Some of the holdouts, like Luka Sims, who produces the City's only newspaper, are wondering what exactly is going on. Others, like Coleman Kinzler, believe it is the beginning of the end. Meanwhile, Laura Byrd is trapped in an Antarctic research station, her supplies are running low, her radio finds only static, and the power is failing. With little choice, Laura sets out across the ice to look for help, but time is running out. Kevin Brockmeier alternates these two storylines to create a lyrical and

haunting story about love, loss and the power of memory.

When a group of immortal vigilantes threatens millions, only one man is brave enough to stand in their way. Their story didn't start this year...or even this millennium. It began when Moses was on Mt. Sinai. Tired of waiting on the One True God, the twelve tribes of Israel began worshipping a golden calf through pagan revelry. Many received immediate death for their idolatry, but 40 were handed a far worse punishment—endless life on earth with no chance to see the face of God. This group of immortals became the 13th Tribe, and they've been trying to earn their way into heaven ever since—by killing sinners. Though their logic is twisted, their bril-

liance is undeniable. Their wrath is unstoppable. And the technology they possess is beyond anything mere humans have ever seen. Jagger Baird knows nothing about the Tribe when he's hired as head of security for an archaeological dig on Mt. Sinai. The former Army Ranger is still reeling from an accident that claimed the life of his best friend, his arm, and his faith in God. The Tribe is poised to execute their most ambitious attack ever and the lives of millions hang in the balance. When Jagger's wife and son are caught in the crossfire, he'll stop at nothing to save them. But how can one man stand against an entire tribe of immortals? "Liparulo plunges deep into the pages of Scripture to find intriguing what-if's and stunning revelations—all woven into a tale that is both skin-tinglingly supernatural and thought-provokingly real. Packed with high-tech gadgetry, action, and heart . . . Read this novel! Seriously!" —TED DEKKER, New York Times best-selling author of *Forbidden* and the *Circle Series* "The author of *Comes a Horseman* ushers in an exciting new series with this action-packed and intricately plotted spiritual thriller that should appeal to fans of Frank Peretti and Oliver North." —Library Journal "A fantasy-thriller with overt (but not overly intrusive) Christian themes . . . The book can be read as a story of a man's spiritual transition, or it can be read as a fast-paced thriller with fantasy elements. Either way, it's a success." —Booklist "Liparulo opens the *Immortal Files* series with a bang . . . Liparulo has concocted a fast-moving, imaginative narrative that examines moral questions . . . every reader is in for roller-coaster action, competently done, with a late-breaking major plot curve that leaves the door open for more." —Publishers Weekly "If you're a fan of suspense or biblical fiction, this is one book you won't want to miss. Its mind-blowing action will keep readers totally immersed." —RT Book Review, 4 1/2 stars

This magnificent novel by one of America's finest writers is the epic of one man's remarkable journey, set in nineteenth-century America against the background of a vanishing people and a rich way of life. At the age of twelve, under the Wind moon, Will is given a horse, a key, and a map, and sent alone into the Indian Nation to run a trading post as a bound boy. It is during this time that he grows into a man, learning, as he does, of the raw power it takes to create a life, to find a home. In a card game with a white Indian named Featherstone, Will wins – for a brief moment – a mysterious girl named Claire, and his passion and desire for her spans this novel. As Will's destiny intertwines with

the fate of the Cherokee Indians – including a Cherokee Chief named Bear – he learns how to fight and survive in the face of both nature and men, and eventually, under the Corn Tassel Moon, Will begins the fight against Washington City to preserve the Cherokee's homeland and culture. And he will come to know the truth behind his belief that "only desire trumps time." Brilliantly imagined, written with great power and beauty by a master of American fiction, *Thirteen Moons* is a stunning novel about a man's passion for a woman, and how loss, longing and love can shape a man's destiny over the many moons of a life.

"Ross Gay's eye lands upon wonder at every turn, bolstering my belief in the countless small miracles that surround us." —Tracy K. Smith, Pulitzer Prize winner and U.S. Poet Laureate The winner of the NBCC Award for Poetry offers up a spirited collection of short lyric essays, written daily over a tumultuous year, reminding us of the purpose and pleasure of praising, extolling, and celebrating ordinary wonders. Ross Gay's *The Book of Delights* is a genre-defying book of essays—some as short as a paragraph; some as long as five pages—that record the small joys that occurred in one year, from birthday to birthday, and that we often overlook in our busy lives. His is a meditation on delight that takes a clear-eyed view of the complexities, even the terrors, in his life, including living in America as a black man; the ecological and psychic violence of our consumer culture; the loss of those he loves. Among Gay's funny, poetic, philosophical delights: the way Botan Rice Candy wrappers melt in your mouth, the volunteer crossing guard with a pronounced tremor whom he imagines as a kind of boat-woman escorting pedestrians across the River Styx, a friend's unabashed use of air quotes, pickup basketball games, the silent nod of acknowledgment between black people. And more than any other subject, Gay celebrates the beauty of the natural world—his garden, the flowers in the sidewalk, the birds, the bees, the mushrooms, the trees. This is not a book of how-to or inspiration, though it could be read that way. Fans of Roxane Gay, Maggie Nelson, and Kiese Laymon will revel in Gay's voice, and his insights. *The Book of Delights* is about our connection to the world, to each other, and the rewards that come from a life closely observed. Gay's pieces serve as a powerful and necessary reminder that we can, and should, stake out a space in our lives for delight.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years

of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

A systematic approach to lifelong learning interconnects disciplines and ideas, explains the shortcomings of specialization, shows how to assimilate information and knowledge into understanding and wisdom, and offers a defense of the liberal arts.

On December 26, Boxing Day, Sonali Deraniyagala, her English husband, her parents, her two young sons, and a close friend were ending Christmas vacation at the seaside resort of Yala on the south coast of Sri Lanka when a wave suddenly overtook them. She was only to learn later that this was a tsunami that devastated coastlines through Southeast Asia. When the water began to encroach closer to their hotel, they began to run, but in an instant, water engulfed them, Sonali was separated from her family, and all was lost. Sonali Deraniyagala has written an extraordinarily honest, utterly engrossing account of the surreal tragedy of a devastating event that all at once ended her life as she knew it and her journey since in search of understanding and redemption. It is also a remarkable portrait of a young family's life and what came before, with all the small moments and larger dreams that suddenly and irrevocably ended.

keep herself together and be strong for her three children - especially with the holidays approaching. The cheerfulness of the season made her feel more alone than ever, no matter how much she wanted to reach out to her children and find some way to comfort them. But thirteen days before Christmas, a poinsettia appeared on the Smiths' doorstep. The next day, another gift arrived ... then another, and another. Each present was accompanied by a note with lyrics to the carol "The Twelve Days of Christmas" rewritten to fit the gift and signed, "Your true friends." Although Jo resisted the intrusion at first, the gifts began to work a kind of magic on her and the kids. As they puzzled over the mystery together - who were the true friends? when would the next delivery arrive? could anyone catch the gift givers in the act? - their grieving hearts began to heal. The 13th Gift is a true story about the everyday miracles that can occur during the holiday season. It is a heartwarming reminder that with love, community, and family, even the most broken of hearts can be mended.
